Course Grading

Type of Assessment Methods	Weighting
Assignments	15%
Class Participation	10%
Quizzes	35%
Final Exam	40%

Quizzes

- There will be totally 3 in-class quizzes, all of which are closed book.
- Quiz dates will be announced in advance.
- To determine the corresponding grade for quizzes, each quiz is assigned the same weight, and the average of best 2 out of 3 quizzes will be taken.

Assignments

- Assignments will be due every week.

Tentative Course Schedule

The following topics will be discussed:

1. Elements of Measure Theory
2. Random Variables
3. Independence
4. Modes of Convergence
5. Law of Large Numbers
6. Central Limit Theorem
